

**CERTIFICATE OF  
FACTORY PRODUCTION CONTROL****C 1305**

Based on the provisions of the technical specification EN 13163:2001, EN 13163:2001/AC:2005 the guideline ETAG 004 and of the relevant certification scheme SN 84, which refers to the certification of EPS for ETICS, it has been determined that, for the following construction product:

**Expanded polystyrene (EPS) for ETICS**

placed on the market by

**MLG Trading GmbH,****Egger-Lienz-Strasse 12, 4050 Traun, Austria**

and produced in the production plant

**EPS LAŠTRO d.o.o.,****Resnik bb, 71260 Kreševo, BiH**

is submitted by the manufacturer to the initial type-testing of the product and the factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the certification body, the Slovenian National Building and Civil Engineering Institute (ZAG Ljubljana), has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control and the performances described in the standards

**EN 13163:2001 and EN 13163:2001/AC:2005**

and the relevant certification scheme SN 84 were applied.

This certificate was first issued on 04.07.2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the plant or the FPC itself are not modified significantly.

Ljubljana, 04.07.2008

**Head of the Certification Service:**
